

10.5 Children's Records Policy

Policy statement

We have record keeping systems in place that meet legal requirements; this means the information we store, and share takes place within the framework of the General Data Protection Regulations (GDPR 2018) and the Human Rights Act (1998).

This policy and procedure should be read alongside our Privacy Notice and Confidentiality Client Access to Records Policy and our Information Sharing Policy.

Procedures

If a child attends another setting, we establish a regular two-way flow of appropriate information with parents and other providers. Where appropriate, we will incorporate comments from other providers, as well as parents and/or carers into the child's records.

We keep two kinds of records on children attending our setting:

Developmental records

- These include observations of children in the setting, photographs, samples of their work and summary developmental reports.
- These are kept at Pre-School and can be accessed, and contributed to, by our staff, the child and the child's parents.

Personal records

These may include the following (as applicable):

- Personal details – including the child's registration form and any consent forms.
- Contractual matters – including a copy of the signed parent contract, the child's days and times of attendance, a record of the child's fees, any fee reminders or records of disputes about fees.

10.5 Children's Records Policy

- Child's development, health and well-being – including a summary only of the child's EYFS profile report, a record of discussions about every day matters about the child's development health and well-being with the parent.
- Early Support – including any additional focussed intervention provided by our setting (e.g. support for behaviour, language or development that needs an Individual Education Plan) and records of any meetings held.
- Welfare and child protection concerns – including records of all welfare and protection concerns, and our resulting action, meetings and telephone conversations about the child, a Statement of Special Educational Need and any information regarding a Looked After Child.
- Correspondence and Reports – including a copy of the child's 2 Year Old Progress Check (as applicable), all letters and emails to and from other agencies and any confidential reports from other agencies.
- These confidential records are stored in a lockable file or cabinet, which is always locked when not in use and which we keep secure.
- We read any correspondence in relation to a child, note any actions and file it immediately
- We ensure that access to children's files is restricted to those authorised to see them and make entries in them, this being our manager, deputy or designated person for safeguarding, the child's key person, or other staff.
- We may be required to hand children's personal files to Ofsted as part of an inspection or investigation process; or to local authority staff conducting a S11 audit, as long as authorisation is seen. We ensure that children's personal files are not handed over to anyone else to look at.
- Parents have access, in accordance with our Privacy Notice, Confidentiality and Client Access to Records Policy, to the files and records of their own children, but do not have access to information about any other child.
- Our staff will not discuss personal information given by parents with other members of staff, except where it affects planning for the child's needs. Our staff induction programme includes an awareness of the importance of confidentiality in the role of the key person.
- We retain children's records that relate to an accident. All safeguarding matters will be securely passed onto a new setting or primary school, once a child has left us.

10.5 Children's Records Policy

- When a child leaves our setting, we remove all paper documents from the child's personal file, and pass all documents to the parents/carers. Apart from documents see Privacy Notice, where there were S.47 on policy.
- We store financial information according to our finance procedures.

Other records

- We keep a daily record of the names of the children we are caring for, their hours of attendance and the names of their key person.
- Students on Pre-school Learning Alliance or other recognised qualifications and training, when they are observing in the setting, are advised of our Confidentiality and Client Access to Records Policy and are required to respect it.

Legal framework

- General Data Protection Regulations (GDPR 2018)
- Human Rights Act (1998)
